

IMPORTANT NOTICE - VISITORS TO SITE COVID 19 PRECAUTIONS

Tuesday 17 March, 2020

Dear Visitor,

Due to the current Coronavirus situation we would like to implement the following procedures to minimize the risk of infection to both our visitors and ourselves.

- There will be no unnecessary visitors permitted onto premises
- All visitors must provide contact details for our register so in the event of someone contracting the virus all persons at risk may be contacted
- Disinfectant wipes to be used on all surfaces contact is made with
- Hand sanitiser or hand washing required before and after use of any equipment
- Where possible 1.5 m distance to be kept between people.
- Any Physical contact to be kept at a minimum.

Thank you for your cooperation.
